

| EX_ID | Part Code      | Part Name(EN)                              | Part Name(local)                           |
|-------|----------------|--------------------------------------------|--------------------------------------------|
| 1     | 12223000008593 | Chassis subassembly                        | Chassis subassembly                        |
| 1.1   | 12223000012926 | Hook                                       | Hook                                       |
| 2     | 12123000000801 | top volute                                 | top volute                                 |
| 3     | 12100103000584 | centrifuge fan                             | centrifuge fan                             |
| 4     | 12123000002522 | Lower volute assembly                      | Lower volute assembly                      |
| 5     | 12222500000253 | Fan Motor Axes Clamp (Left)                | Fan Motor Axes Clamp (Left)                |
| 6     | 12223000000537 | Fan motor fixing board                     | Fan motor fixing board                     |
| 7     | 12222500000255 | Cover                                      | Fan Motor Axes Clamp (Right)               |
| 8     | 11002015002521 | Brushless DC Motor                         | Brushless DC Motor                         |
| 9     | 15823000004567 | Evaporator Assembly                        | Evaporator Assembly                        |
| 9.1   | 11201007000136 | Pipe Temperature Sensor                    | Pipe Temperature Sensor                    |
| 9.2   | 15123000008692 | Evaporator outlet pipe subassembly         | Evaporator outlet pipe subassembly         |
| 9.3   | 15500404000009 | Pipe Nut                                   | Pipe Nut                                   |
| 9.4   | 15123000011151 | Evaporator inlet pipe subassembly          | Evaporator inlet pipe subassembly          |
| 9.5   | 15500209000001 | Pin Valve                                  | Check valve                                |
| 10    | 12223000006629 | Evaporator Right Support Board Subassembly | Evaporator Right Support Board Subassembly |
| 12    | 12823000000190 | Drainage Pan Assembly                      | Drainage Pan Assembly                      |
| 12.1  | 12600801000883 | Plug                                       | Rubber plug                                |
| 13    | 17223000007383 | Duct electronic control box subassembly    | Duct electronic control box subassembly    |
| 13.1  | 12223000011049 | Electronic control box                     | Electronic control box                     |
| 13.3  | 17400401000080 | Wire Joint                                 | Wire Joint                                 |
| 13.6  | 11201007000283 | Room Temperature Sensor                    | Room Temperature Sensor                    |
| 13.7  | 17123000007299 | Duct main control board subassembly        | Duct main control board subassembly        |
| 13.10 | 17400306000070 | Reactor                                    | Reactor                                    |

|       |                |                                    |                                    |
|-------|----------------|------------------------------------|------------------------------------|
| 13.11 | 17122000027570 | Inverter Control Board Subassembly | Inverter Control Board Subassembly |
| 14    | 12223000006627 | Electric Control Box Cover         | Electric Control Box Cover         |
| 15    | 12223000A02735 | Pipe clamp board subassembly       | Pipe clamp board subassembly       |
| 16    | 17223000000003 | Duct Display Board Subassembly     | Duct Display Board Subassembly     |
| 16.1  | 17123000002712 | Duct display board subassembly     | Duct display board subassembly     |
| 18    | 12223000008591 | Rear cover subassembly             | Rear cover subassembly             |
| 19    | 12223000008590 | Top cover subassembly              | Top cover subassembly              |
| 34    | 11201005000006 | Water Level Sensor                 | Water Level Sensor                 |
| 35    | 12623000000003 | Water Pipe                         | Rubber Tube                        |
| 36    | 11001010000063 | Induction Pump                     | Induction Pump                     |
| 37    | 12223000A02732 | Exhaust pump subassembly           | Exhaust pump subassembly           |
| 38    | 12100510000021 | Drain Hose                         | Drain Hose                         |
| 39    | 12622500000004 | Drain Pump Rubber Washer           | Drain pump rubber washer           |
| 40    | 12123000000043 | Cover of Water Testing Hole        | Cover of Water Testing Hole        |
| 41    | 12622500000003 | Drain Pump Rubber Washer           | Drain Pump Rubber Washer           |
| 46    | 12123000000983 | Air filter                         | Air filter                         |
| 58    | 15500406000016 | Flare Nut                          | Copper nut                         |
| 59    | 15500406000012 | Flare Nut                          | Copper nut                         |
| 60    | 12223000008592 | Rear beam subassembly              | Rear beam subassembly              |
| 62    | 12223000008576 | Middle beam subassembly            | Middle beam subassembly            |
| 62.1  | 12223000009189 | Fan motor support                  | Fan motor support                  |
| 63    | 12223000008589 | Left clapboard subassembly         | Left clapboard subassembly         |
| 63.1  | 12223000012927 | Hook                               | Hook                               |
| 64    | 12223000008594 | Right clapboard subassembly        | Right clapboard subassembly        |
| 64.1  | 12223000012927 | Hook                               | Hook                               |
| 65    | 12223000008577 | Right Side Plate                   | Right Side Plate                   |
| 66    | 12223000008578 | Right clapboard subassembly        | Right clapboard subassembly        |
